VETANO

FOR FRANCHISES

Staff every location with *ID-verified* applicants.

Vetano verifies each applicant's government ID before the first interview, so owners spend their time on real people.

THE HIRING WINDOW

01 **Agreement signed** › 02 **Build-out** › 03 **Hiring** › 04 **Training** › 05 **Opening day**

- Post the job
- Share one link or QR code
- Review ID-verified applicants with video

The weeks before opening are when an owner hires **the most people in the least time.** Vetano is **built for that window,** and for every hire after it.

VETANO DOES NOT PERFORM BACKGROUND CHECKS.

FOR FRANCHISORS

- A hiring tool you can recommend to every owner in your opening playbook.
- Owners make their own hiring decisions. Vetano gives each one the same verified starting point.
- Works for any concept and any role.

FOR FRANCHISE OWNERS

- Post a job in minutes and share one link or QR code wherever you already recruit.
- See each applicant's ID status, intro video and skills before you call anyone.
- Use the same process for your opening crew and every hire after.
- Own several locations? Plans cover multiple locations and team members.
